More often than not, tipsters, readers, friends and family of Eater have just one question: **Where should I eat right now?** Restaurant obsessives want to know what's new, what's hot and what to try. And while the [Eater 38](#) is a great resource that covers old standbys and neighborhood essentials across the city, it's not a chronicle of the 'it' places of the moment.

Thus, we offer the **Eater Heatmap**, which will change continually to highlight new openings that are generating serious buzz or restaurants that have recently upped their game. Let's see who made the list in the latest Heatmap update.

7. Hidden Fish

4764 Convoy St ste a
San Diego, CA 92111
